APOSTLES' -CREED-

Good Morning Epworth UMC family,

Hope you are all doing well. This week we started our new sermon series on the Apostles' Creed and have received some good feedback on the series. We were blessed with some absolutely amazing weather and for that we are extremely thankful. Considering all the craziness that has been brought our way by 2020 we need to make sure to thank God for all the amazing things that have happened. Yes, thousands of lowans' are struggling to recover from a land hurricane and it is devastating to hear about and see some of the damage. But for the first time since before Covid-19 it sounds like people are coming together to help one another despite their differences. These are the signs of hope and love we need to highlight and not just the craziness around us.

God is at work, sometimes we just need to look into the chaos to find it. With all that being said, I am looking for a chance to go down this week and drop off supplies and possibly help clean up. If you are interested in donating or coming to help drop stuff off, let me know. Also, please keep everyone that has been affected by this storm and all the people that are helping get things back to normal in your prayers.

Thank you for everything you do and God Bless. *Pastor Mike*

Mid Week Homework Reminder!

Ask yourself what some of the amazing things God has given you in your life to enjoy?

Are you remembering to thank God for these things and keeping him first?

Over the next four weeks I really want you to study the whole creed. Really think about the words as we say them.

It's time to pray for God to help us bring people back together and not put more negative out! Amen?

Hey Everybody! Pastor Mike encourages you to bring your Bible to worship on Sundays. Take notes and follow scripture readings. †
